

LESSON: Nazi Racism

WORKSHEET: Podcast Questions

NAME: _____

INSTRUCTIONS: Answer the following questions below.

1. Sometimes people claim something as “scientific” to make it sound legitimate, even if it is patently false. Why is the legitimizing stamp of science so important?

2. How can racism keep a political party or group in power?

LESSON: Nazi Racism

WORKSHEET: Podcast Questions

NAME: _____

3. Despite overwhelming scientific data to the contrary, many people still believe in the superiority of certain races. Why might individuals hold onto a belief that has been discredited? How might they change their minds?

4. What information do racists use to justify their beliefs? How can radical beliefs, like these, be challenged and countered?
